## BASIC EDUCATION LAWS AMENDMENT BILL [B2-2022]

### SUBMISSIONS

The Portfolio Committee on Basic Education invites stakeholders and interested individuals to submit written comments on the **Basic Education Laws Amendment Bill [B2-2022]**. The Bill is accessible at: <https://www.parliament.gov.za/bill/2300398>

The Bill proposes to amend the South African Schools Act, 1996 (Act No. 84 of 1996), and the Employment of Educators Act, 1998 (Act No. 76 of 1998) (the SASA and the EEA, respectively), so as to align them with developments in the education landscape and to ensure that systems of learning are put in place in a manner which gives effect to the right to basic education enshrined in section 29(1) of the Constitution of the Republic of South Africa, 1996.

Amongst others, the Bill seeks to amend certain definitions; to provide that attendance of Grade R is compulsory, and to provide for system improvements in terms of admission of learners to public schools. It also provides for financial and public accountability frameworks for governing bodies and provincial departments.

The Bill further provides for additional Regulatory powers of the Minister, and enhancing decision making and oversight powers of Heads of Departments and Members of the Executive Councils.

The Bill also proposes technical and substantive adjustments, clarify certain existing provisions, insert provisions which are not provided for in existing legislation and strengthen enforcement mechanisms for offences and penalties.
